

WE GO THE EXTRA MILE: FAST, FLEXIBLE SOLUTIONS FOR AGENTS

UCS is the surety partner that works for you—delivering fast approvals, tailored bonding solutions, and nationwide expertise with a tech-driven approach.

WHY CHOOSE UCS?

- **Fast & Flexible:** Quick approvals, creative underwriting, and tailored solutions.
- **Agent-Focused:** Transparent, responsive, and ready to engage directly with your clients.
- **Tech-Enabled Surety:** Instant commercial bond issuance and a robust digital platform.
- **Trusted & Proven:** Treasury-listed and AM Best A- rated.

CONTRACT BONDS

UCS specializes in helping contractors get bonded—whether they're just starting out or needing a long-term surety partner.

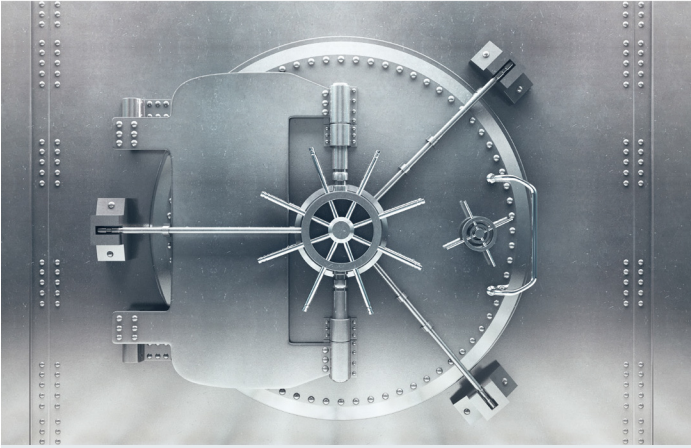

- **SBA Prior Approval Program:** Partner since 2018, staffed with two in-house SBA experts.
- **Credit Based Right Path Program:** Up to \$750K (single), \$1.5M (aggregate) for smaller bond limits and infrequent bonding needs.
- **Standard Bonding Programs:** Up to \$5M (single), \$20M (aggregate). Significantly higher single and aggregate limits are available for qualified/best in class contractors.

COMMERCIAL BONDS

From instant issue bonds to customized programs for niche industries, we provide seamless solutions tailored to your agency's needs.

- **Comprehensive Solutions:** For transactional, small, and mid-size commercial accounts.
- **Commercial Programs:** Solutions for specific industries (e.g., motor vehicle dealers) or bond types (e.g., BMC-84).
- **Transactional Capabilities:** Instant issue and credit-based bonds. No hassle, no wait bonding with our industry-leading technology platform.
